

EQUESTRIAN CAMPS

Pee Wee Camp

Have a young child who loves horses? Sign him or her up for our week long pee wee camp! The participants will learn the fundamentals of horse care, riding, and general knowledge about our four legged friends. The riding portion of each day will be tailored to the individual student and there will be staff available to help those who are not quite ready to be on their own. By the end of camp students should know the following: how to groom a horse, the parts of tack and where they go, how to sit properly on a horse, how to read horse emotions, basic parts of the horse, and how to bathe a horse. Parents are invited to watch their child ride the final day of camp. Participants will receive a free t-shirt! AB

Beginner Group Lessons

Looking to save a few dollars? Then sign up for our beginner group lessons. Participants will learn how to prepare a horse for riding and begin to learn the gaits of walk and trot. Riders can choose to ride English or Western. Instructors will assign a horse/pony to students. Learning is accomplished through demonstrations as well as hands-on experiences. The first session is non-riding and will teach students how to lead, groom and tack a horse. Students are expected to arrive a half hour before the start of the class for the last three sessions to allow adequate riding time. These classes may be repeated until the basic skills are mastered. Beginner 1 Horse Lover Camp

Start building your horse knowledge this summer! This camp is for students with little or no experience around horses. Participants will learn the basics of horse care and riding. Examples of topics to be covered include: grooming, tacking, leading, mounting, dismounting, proper position, steering, basic gaits, parts of the horse, feeding, stall cleaning, and common horse terminology. Campers need to bring a brown bag lunch and beverage with them each day. It is up to the instructor to decide on horse/pony assignments. Students will be divided into groups that will rotate activities throughout the day. Parents are invited to watch their child ride the final day of camp. Participants will receive a free t-shirt! AB

Beginner 2 Horse Lover Camp

Beginner level 2 riders are those that have participated in past summer camps and/or group lessons and already know how to lead a horse, groom, and tack with some assistance. These riders should also be comfortable mounting, dismounting, and riding at a walk without a handler. Students will review past camp information and learn more about basic first aid, how to safely do turn-out, feed rations, blanketing, and basics of good and bad confirmation. New riding skills include: more advanced trot work, riding a serpentine, riding a figure 8, and going over trot poles. Campers need to bring a brown bag lunch with them every day. Parents are invited to watch their child ride the final day of camp. Participants will receive a free t-shirt! AB
