Residents of the Plainfield Park District,

What a summer!

Party at PARC, Eaton Preserve Grand Re-Opening, and Patriotic Picnic were just a few highlights from what was a tremendous season.

We had our highest enrollment numbers ever for our summer day camp program, and many other programs also exceeded expectations. Five hundred fourteen of our youngest patrons learned one of life's most important safety skills – how to swim! In addition to keeping residents cool, Ottawa Street Pool also hosted a variety of special events including the Tiki Bash, $1 Friday Nights, National Flip Flop Day, National Ice Cream Day, National Teen Night Out and more.

In addition to providing equitable and accessible recreation opportunities for the community, summer is also a busy time in terms of capital projects. Improvements that were started, in progress or completed this summer included:

- New playground structures at Aspen Meadows
- New playground, benches and picnic tables, and basketball court resurfacing at Auburn Lakes
- New asphalt trail and improved canoe launch at Eaton Preserve
- Complete renovation of the Ottawa Street Park court complex
- Court resurfacing of the basketball and tennis courts at Village Green
- New playground, shelter, benches, bike rack and picnic table along with basketball court resurfacing at Vintage Harvest
- New playground equipment and improved ADA access to the water at Wexford Park

We have a busy fall and holiday season upon us. Everyone's favorite fall and holiday events return. Check them out on pages 10 through 13.

Please stay connected to our social media (Facebook, Twitter and Instagram), subscribe to our e-newsletter, and check out our website regularly (plfdparks.org) to stay in the know. I sincerely hope you had a happy and healthy summer. I encourage you to get outside and enjoy all the Plainfield Park District has to offer this fall and holiday season.

See you in our parks!
All the Best,

Bill Thoman

The Plainfield Park District commits itself to diversity, equity, and inclusion because these values make us a thriving community for all people. Creating a mutually respectful, multicultural and equitable environment does not happen on its own; it must be intentional.

We believe in equity and we will work to break down systems of oppression, including racism, sexism, homophobia, xenophobia, and other forms of bias and hate. We reject racial and social barriers that limit and divide us, and we reject bias towards any group of people.

Plainfield Park District is an organization that welcomes, respects, and encourages the contributions of all people regardless of race, color, ethnicity, national origin, relation, age, sex, sexual orientation, gender identity or expression, marital and/or family status, language, mental and/or physical ability, military status, economic class, immigration status, foster status, body size, criminal history, or any other characteristics that are often used to divide people.

We strive to make these values reflected in our everyday practices and priorities, including fair treatment and equal access for fun, adventure, learning, and growth through recreational programs and parks.

WHERE IS THE ACTIVITY GUIDE?
Keeping it Green - Every Bit Helps

Did you know that one tree equals 8,333 sheets of paper? That's the same as 67 reams of copy paper. We have slimmed down the page count of our seasonal Activity Guide to the Oak Leaf by half. For each issue printed, we save 154 trees.

Each issue of the Oak Leaf highlights what's available for the upcoming season. On each page, there is a scannable QR code that takes you directly to registration information for that program category.

Please recycle your issue when the season is over.

Great Beginnings
PRESCHOOL PREPARATION | AGES 2-3

Great Beginnings is a preschool preparation program recognizing that children learn best by doing. Play has a vital role in a child’s early development by giving early learners opportunities to participate in activities that initiate learning and discovery, develop creativity, and encourage children to interact in a group. Classes are designed to help children learn and grow in a stimulating and enriching environment. Our instructors provide nurturing guidance to all children allowing for easier transitions through parent/child separation anxiety. Children do not need to be toilet trained for these classes. It is recommended that classes be taken in order, but children may be enrolled at any level. All classes, except Great Adventures classes, may be taken multiple times. Please visit plfdparks.org for class descriptions and to register online.

Great Adventures
PRESCHOOL PROGRAM | AGES 3-5

Children enjoy this program designed to meet their emotional, social, creative and physical needs. Based on the premise that children learn through play, participants have numerous opportunities to explore, create, discover, problem solve and communicate to encourage appropriate skills and development.

Caring, nurturing, and experienced staff members implement a progressive program using themes to introduce and expose students to colors, shapes, numbers and letters through a friendly, fun atmosphere. A balance of whole group and small group activities encourages academic and listening skills along with social interaction.

PARKS LISTING
For a park information listing see pages 22-33 or visit plfdparks.org.

WAIT LISTS
Wait lists are formed when registration for a program has reached its maximum. Participants are removed from the wait list and enrolled in the program if space becomes available or an additional section is formed. If a new section is formed, it may not be on the same day, at the same time, or in the same location as the original program. For programs with multiple sections available during the same registration session, participants will be placed on a wait list for one section only.

PROGRAM GUARANTEE
If dissatisfied with a class or activity due to circumstances under the Park District’s control, a full refund can be granted or the program may be repeated at no charge based on availability. Program guarantee refund requests may be made at the Prairie Activity & Recreation Center in person or by calling (815) 436-8812 within five business days of the last class meeting. The program guarantee does not apply to adult sports leagues, food, beverages, memberships and daily admissions, tickets to entertainment and sporting events, trips or Great Adventures.

REFUND CHECKS
Refunds are issued by check unless the payment was made with a credit or debit card in which case the refund will be applied to the card used. Refund checks are approved at the Board of Commissioners meetings each month (unless otherwise noted). Checks over $10 are mailed the next day. Refunds of $10 or less will automatically be issued as a household credit to be used by December 15 of each year. Credits not used by that date will then be refunded by check. If the credit is less than $10 it will remain as a household credit unless a refund is requested.

REFUND REQUESTS
Refund/transfer requests may be made up to five business days prior to the start of class. A $5 service charge will be deducted from all refunds except for those canceled by the Park District. Refund requests received after the deadline will be honored only for certified medical reasons, moving from the Park District, or those that qualify for a program guarantee refund.

PARK DISTRICT PROGRAM CANCELLATION
If Plainfield School District 202 (PSD202) is closed due to inclement weather or remote learning, all Plainfield Park District programs scheduled prior to 3p will be canceled. For programs occurring after 3p please check social media and plfdparks.org after 2p for updated information. Exceptions may be made for extreme temperature closings. See plfdparks.org and social media for updated information.

GENERAL INFORMATION
Attendance in classes is limited to registered participants only. Parents and siblings are not allowed in class unless otherwise stated. Recreation programs are designed for specific age groups. Participants must be the age designated in the class description before the course begins. Birth certificates may be requested. The Plainfield Park District assumes no responsibility for personal injury or loss of personal property for anyone attending or participating in a Park District sponsored event or activity. The Plainfield Park District does not prorate fees based on customer availability to attend a class or late registration.

ABOUT PROGRAM FEES
The Plainfield Park District strives to offer diversified year-round leisure services, including recreational programs and facilities, ensuring that all citizens have an equal opportunity to take advantage of these services. However, since the demand is greater than the public’s ability through tax dollars to support that demand and tax revenues are greatly limited for all types of governmental services, it is necessary to charge fees. These fees supplement other sources of revenue used by the Park District and are a means to continue to provide and expand basic services on an equitable basis.

EQUAL ACCESS
No participant shall, on the basis of race, sex, creed, national origin, or disability, be denied equal access to programs, activities, services or benefits, or be limited in the exercise of any right, privilege, advantage or opportunity.

CODE OF CONDUCT
To ensure enjoyable and safe programs for all participants, the Plainfield Park District has developed a Code of Conduct for all participants. Participants are expected to exhibit appropriate behavior at all times, including:
1. Show respect to all participants and staff
2. Take direction from staff
3. Refrain from using abusive or foul language
4. Refrain from causing bodily harm to self or others
5. Show respect for equipment supplies and facilities
6. Not possess any weapons

Additional rules may be developed for particular programs and athletic leagues as deemed necessary by staff. Failure to comply with this Code of Conduct may result in removal from the program or event without refund.

RESIDENCY REQUIREMENTS AND BOUNDARIES
A Plainfield Park District resident is described as a person whose legal domicile is within the boundaries of the Plainfield Park District. Residency is the principal place of habitation of the individual occupying the home, apartment, condominium or estate. It shall be the principal yearly residence for the family residing at that location. The resident must be able to produce a valid driver’s license or state I.D., and a current property tax bill or voter’s registration card verifying residency at that location.

ADVERTISING AVAILABLE
Advertising space is available in our seasonal brochures. If you would like more information, contact Plainfield Park District at (815) 436-8812 or visit plfdparks.org.

PHOTOS AND VIDEO
On occasion, the District staff may take photos or videos of program participants at special events or people using the parks and facilities. The District staff may use these photos or videos to inform others of recreational opportunities available in our community. We do not use identification in our publicity materials. Please be aware that photos and videos may be used in future promotional pieces. All photos and videos are property of the Plainfield Park District.

FINANCIAL ASSISTANCE PROGRAM
The Park District’s financial assistance program is established by the Friends of the Plainfield Park District Foundation. Please call Guest Services at 815.436.8812 for more details.
