Dependent upon a person’s physical condition, age, and skill level, aerobics and fitness exercises can involve a substantial risk of the following types of injuries. This list is by no means complete, but includes some of the more common ones:

I fully understand and agree that all exercises including aerobic activities, the use of weights, number of repetitions, and use of any and all machinery, equipment and apparatus designed for exercising shall be at my or my minor child/ward’s sole risk. Notwithstanding any consultation or instruction on exercise programs which may be provided by the Plainfield Park District, it is hereby understood that the selection of exercise programs, methods and types of equipment shall be my or minor child/ward’s entire responsibility, and that the Plainfield Park District, including its officials, employees, agents and volunteers (hereinafter collectively District) shall not be liable for any claims, demands, injuries, damages, or loss to person or property arising out of or in connection with the use of the services and facilities contemplated by this agreement.
